Alim Group was founded in 2001 in Istanbul, Turkey to export wood-based panels (MDF, Particle Board, Laminate Flooring, Door Panel) for furniture and construction industry to Balkan Countries. Today carries out its sales activities in its warehouses and sales offices in Montenegro, Serbia (Belgrade) and Macedonia (Skopje) in an area of approximately 14,000 m<sup>2</sup>, and in the headquarters of 15.000 m<sup>2</sup> closed area in Istanbul, also producing edgebanding and wrapping foils for the furniture sector.

Since 2004, Alim Group is the sole distributor of Kastamonu Entegre's ("one of the world's leading wood-based panel producers") products in this region. Alim Group grew rapidly as a result of its specialization and expertise in this area and reached an export volume of 75 million euro in total, of which 45 million euro was direct sales.

Founded in 2005, BOYUT PLASTIK produces high quality edge band and offers it to the world market. It produces PVC, ABS, 3D and PP categories in its modern and high technology production facility in Istanbul with a capacity of 8 thousand tons annually and exports half of its production to more than 50 countries.

Our goal edge in size as the plastic band to have 25% market share in Turkey and Europe, is to enter the top 5 among companies
